

SOUTH AFRICAN INTRUDER DETECTION SERVICES ASSOCIATION

BY-LAW NO 4

REGISTER OF APPROVED INSTALLERS

Amended September 2011

APPROVED INSTALLERS

In addition to the general criteria specified under the Membership Section the following additional requirements will apply:

1. The member must:
 - 1.1 At all times, employ directly a minimum of three (3) persons, of which at least one (1) for every 10 technicians employed, shall be SAIDSA Certified technicians and will be engaged in operations as follows:

Working full time in the intruder detection industry, installing and servicing intruder detection systems for a minimum period of two (2) years, subject to the provision that the Executive Committee may waive or allow any leniency, if good cause is shown to the satisfaction of the Executive Committee.
 2. Provides a 24-hour repair service throughout the year.
 3. Can be contacted 24 hours a day telephonically. The SAIDSA approved control room must have direct contact with the installing company and/or its representatives, telephonically, in the instance where there is an agreement or relationship between the installing company and the control room.
 4. Shall have installed not less that fifty (50) intruder detection systems.
 5. The technical staff must be competent to install all equipment specified within the By-Laws of SAIDSA.
 6. A full range of replacement equipment required for installations as defined in the By-Laws of SAIDSA, applicable to the category of membership for which the member has been approved, must be available at all times including weekends and public holidays.
 7. Installers must be prepared for spot checks at any time by members of the Executive Committee or an inspector appointed by the Executive Committee for that purpose.
 8. The premises, from which the approved installer operates, must comply with local municipal regulations regarding the operation of a business from such premises and proof of this must be submitted.
 9. All installers applying to be entered on the Register of Approved Installers must sign an affidavit confirming that they are capable of installing a system complying to the By-laws of SAIDSA applicable to the category of membership for which the member has been approved.
 10. The Installer must at all times issue a SAIDSA Certificate of Compliance on completion of the installation.
 11. The Register of Approved Installers will be updated and issued annually.
 12. An approved Installers Certificate will be issued on payment of the appropriate subscription fee and will be reviewed annually.
