SOUTH AFRICAN INTRUDER DETECTION SERVICES ASSOCIATION

REQUIREMENTS FOR AN APPROVED ELECTRIC FENCE INSTALLER & INSTALLATIONS

4 June 2014

APPROVED INSTALLER

In addition to the general criteria specified under the Membership Section, and in terms of the Occupational Health and Safety Act, as amended from time to time, the following additional requirements will apply:

1. The member must:

- 1.1 At all times, employ directly a minimum of three (3) persons, of which at least one (1) shall be duly registered in terms of the regulations applicable to electric fence installations as set out in the OHS Act, working full time in the electric fence installation and repair industry for a minimum of 2 (two) years, and have installed not less than 50 (fifty) electric fences, subject to the provision that the Executive committee may waive or allow leniency, if good cause is shown.
- 1.2 Provide a 24-hour repair service throughout the year;
- 1.3 Be able to be contacted 24 hours a day telephonically;
- 1.4 The technical staff must be competent to install all electric fence equipment in accordance with SANS specifications;
- 1.5 Suitable replacement equipment required for repairs must be available over weekends and public holidays;
- 1.6 Installers must be prepared for spot checks at any time by members of the Executive committee or an inspector appointed by SAIDSA for that purpose;
- 1.7 The premises, from which the approved installer operates, must comply with local municipal regulations regarding the operation of a business from such premises and proof thereof must be submitted;
- 1.8 A Installers applying to be entered on the Register of Approved Electric Fence Installers must sign an affidavit confirming that they are capable of installing and repairing an electric fence to SANS standards, and in addition provide proof of the registered installer in its employ.
- 1.9 Provide a cancelled example of the certificate of compliance issued by the installer;
- 1.10 The Register of Approved Electric Fence Installers will be updated and issued annually on receipt of the applicable annual subscription fee.
- 1.11 The use of the approved and registered SAIDSA logo will be subject to the inclusion of the words "Electric Fence Installer" at the bottom of the logo wherever it is used, equal in size to words "SAIDSA" inside the logo.

INSTALLATIONS

- 2.1 All installations and repairs must be done and carried out in accordance with applicable SANS standards as published from time to time;
- 2.2 Certificates of compliance must be issued and copies kept on file by the approved installer;
- 2.3 The installer will provide SAIDSA with a copy of such certificate if called upon.
